Kilowatt Hours (plug for LCCSS & CCAN)

Presentations to the BoS: Will Stewart was absent from the meeting as he was presenting to the BoS regards alternative energy solutions in Virginia.

NVCC Green Committee

they sponsored a whole series of seminars and events this past week, including one at Loudoun's NVCC campus, and we didn't know about it... we need to plug in to this network. Get a Eastern Loudoun LCCSS volunteer to hook up, based on the recent post titled " Fw: NOVA | Green Committee | Climate Change Symposium" See if we can get someone from their group to come to a meeting of ours (or vice versa).

GWU-Earth Day event - April 22 (Tues)

Mike would like to consider moving the science fair awards ceremony to April 22 if Dr. Kilkis can make it.

We discuss showing the film Future of Foods at GWU or Crude Awakening on April 22 only if Mike could not arrange the awards ceremony on that date.

Science Fair March (Thurs Mar 13)

Geeta Moori, Gina Faber and Tony Noerpel volunteered so far. Mike will ask Alan Hansen if he would like to do it.

Science Fair Awards & Dr Kilkis event @REHAU (Apr 17)

As noted, Mike would like to move this to April 22, if possible.

Claude Moore Rec Center Health & Environmental Living Fair (Apr 12 10-4)

how can we participate? booth?
