

# Sustainability in Arlington: Green Buildings and Climate Change

**Tuesday, April 17  
7:30pm**

At **REHAU**  
North American  
Corporate Offices  
1503 Edwards Ferry Rd, Leesburg  
(directions below)

**Free and open  
to the public**

**Be inspired!** Arlington County staff members tell about Arlington's path to sustainability. Their presentation will feature information about Arlington's efforts to improve energy efficiency and cut costs across county operations, including the schools. Materials about Arlington's Fresh AIRE (Arlington Initiative to Reduce Emissions) and Green Building programs will be available.  
**[www.arlingtonva.us/climate](http://www.arlingtonva.us/climate)**

**Directions to REHAU:** The conference room is located on the 4th floor in The Palladium Building, 1503 Edwards Ferry Rd, the first building you see coming up REHAU's driveway. Just after you drive past the entrance doorway, turn left into the first parking lot.
